Investment policy

The Fund policy is that of a bond fund. It aims at achieving regular yields, primarily by investing (at least 51 percent of the asset value) in bonds denominated in Czech crowns. To a lesser extent, it may also invest in bonds denominated in some selected foreign currencies, bond funds, and money-market instruments, including term deposits. The list of the issuers of such bonds and money-market instruments in the Fund portfolio may include, among others, governments, supranational corporations or enterprises. Recommendation: The Fund may not be suitable for investors who intend to recover their invested funds within a term shorter than 5 years.
